

Kimberly Tripplet, RN.

Kimberly Triplett has had many years of experience in different areas of nursing. Since receiving her RN in 1993, Nurse Triplett has worked as a Traveling Nurse, laboring in various hospitals across the US. Nurse Triplett has also worked in some of the busiest emergency rooms in the New Orleans, LA area to include Tulane Medical Center, Ltd, The Medical Center of Louisiana at New Orleans, and the Lindy Boggs Medical Center of New Orleans, LA. Nurse Triplett has spent significant time working in Level 1 Trauma Emergency Rooms, Medical/Surgical Rehab, Psychiatric and Oncology units as well. The level of fitness required by her profession is not something that is unfamiliar to Nurse Triplett. In addition to a present love of running, she has participated in sporting leagues from high school through college and after. Nurse Triplett has always had a concern for others to be in the best overall condition possible and throughout her career has sought to assist them. In her position as Director of Medical Programming, Nurse Triplett is tasked with ensuring that her clients are monitored and coordinates their care with the client's own personal physicians or even referring them to a physician if they do not have one of their own. Nurse Triplett is a valuable asset to Logical Living LLC and its clients.
